

SUPPORTING FUNDAÇÃO ST. PAUL'S

With your contribution, we are transforming the lives of talented pupils whose families cannot afford the kind of education St. Paul's School offers, whilst preparing our school and our children for a more diverse and inclusive world.

The yearly costs per Senior School scholar are R\$ 170,000, including fees, transportation, uniforms, trips and extracurricular activities, etc. Below there are some suggested tiers of donations, but please feel free to reach out to us in case you want to donate different amounts.
